Declaration of MultiVersal Life Rights

Preamble:
Further to the work that was led by The House of the Creator and declared at sequences 2025.05.01, 2026.05.16 and 2026.06.04, this Declaration has been further developed to ensure its currency for the MultiVersal existence we now find ourselves living within.

It comprises some of the amazing work celebrated as the ‘Universal Declaration of Human Rights’ which was proclaimed in a former Universe by its United Nations General Assembly which took place in Paris, France on ‘Friday, 10 December 1948’ (former Gregorian[1] calendar).
(General Assembly resolution 217 A).

The intended language this Document is written in, is the MultiVersal language known as 'English’ which is held in custodianship by the University of Oxford in England, Earth Planet, and appears in the font named ‘Helvetica Neue’ in size ’27 pt’ for its heading and size ’11 pt’ for its body text.

The House of the Creator welcomes any corrections.

This Document supersedes any and all others that have proceeded it, and will become fully ratified at the inaugural General Assembly for all MultiVersal LifeBeings[2]. It shall be submitted for our consideration and approval. In the meantime, these Rights are legally binding and in effect across the entire MultiVersal.
